

The SWiPE project has received funding from the LIFE Programme of the European Union

The SWiPE project (Successful Wildlife Crime Prosecution in Europe) is funded by the EU LIFE programme and aims at enhancing enforcement of laws and effective prosecution to counteract wildlife crime by improving the awareness and capacity of authorities to provide effective environmental compliance assurance, enhance cross-border knowledge exchange and increase cooperation. 11 countries participate in the project, including Bulgaria, Romania, Serbia, Bosnia-Herzegovina, Croatia, Slovakia, Hungary, Italy, Ukraine, Poland and Spain, with WWF Bulgaria as coordinating partner and with the participation of nine national and regional WWF offices, TRAFFIC, Fauna & Flora International and the Judicial Academy and State attorney's office of the Republic of Croatia.
